## PHYSICAL DISABILITY

---

Student: \_\_\_\_\_

Date: \_\_\_\_\_

Physical disability is any physical impairment, other than hearing and vision dysfunctions, which adversely affects a child's educational performance. Physical disabilities may be caused by congenital anomalies, disease, accidents or injuries and would include, but not be limited to, cerebral palsy, spina bifida, amputations, clubfoot, poliomyelitis, bone tuberculosis, spinal muscular dystrophy, leukodystrophy and burns with significant contratures.

### Checklist for Determining Eligibility:

- Medical documentation of physical impairment
  
- Documentation of adverse effect of impairment on educational performance
  
- Documentation of need for special education and related services
