

CONFIDENTIALITY

The SLP is reminded of the importance of ethical behavior, particularly observance of confidentiality.

Tri-County Special Education Association has developed a "Consent for Exchange of Confidential Information" form, available in the Embrace program. This form must be used before exchanging information with outside agencies or persons.

IN-SERVICING STAFF

The SLP should expect to provide in-servicing to staff within the school district.

Topics and information presented will vary with individual district needs.

Possible topics for an in service include (but are not limited to):

1. Referral process
2. Speech sound development/articulation
3. Language development
4. Fluency
5. Voice
6. Autism
7. Listening skills/Auditory processing
8. S/L activities in the classroom
9. Assistive technology
10. Visual Supports
11. AAC
