

NPI# (National Provider Identifier) **Billing for Medicaid Reimbursement**

Beginning with the 2017-2018 school year, SLPs must include an NPI# on their S/L Referral forms and prescriptions in order to bill for medicaid reimbursement.

1. An SLP may NOT use their own NPI# for their caseload, but can use another SLP's NPI#.
2. Any SLP who applies for an NPI# must also enroll in "IMPACT" (Illinois Medicaid Program Advanced Cloud Technology) before they can sign S/L Referral forms.
3. Go to <https://nppes.cms.hhs.gov/#/> to apply for an NPI#.
4. Go to <https://www.illinois.gov/hfs/impact/> to enroll in IMPACT.
5. Use the following Taxonomy code: 235Z00000X to apply for an NPI#.
6. You will also need your district's NPI# to enroll in IMPACT.
7. You will also need your professional license # to enroll in IMPACT.
